Enclosed is the *Artists in the Schools* roster for the 2017-2018 school year.

Inside you will find an explanation of what the *Artists in the Schools Program* is all about, how the program works, the artists, and the sessions that are offered. You will also find a section about Arts Education Grants. These are for teachers that have a “big idea” that integrates art with core curriculum content.

*Artists in the Schools* gift certificates are available to purchase for as low as \$40. This purchase helps to fund a unique learning experience for an entire classroom.

This year we are also adding *Authors in the Schools Program* to our roster in partnership with Main Street Books in Downtown Minot. Please contact us if you are searching for a specific author and we will see what we can do to help you.

We are also in the process of creating a Children’s Art Gallery. Keep your eyes out for new and exciting things coming soon!

We look forward to working with the artists, teachers and students this new school year. We are so excited to help make this year a successful year of growing and learning in the classroom.

Sincerely,

Tina Brown
